

St. Joseph School Weekly Note

Good-bye April.....Hello May!

The weather is getting nice and the students love to go outside and play during recess. If we do not have enough lunch aides, they can't do so. We have had people scheduled, and not show up, so PLEASE be mindful of the situation. Double check the lunch calendar to see if you are scheduled for the week. If you can help, we would greatly appreciate it!

If you have a child starting kindergarten we will need all registration information. Also, if you haven't registered them yet, Mrs. Clifford will be scheduling kindergarten testing and will get the names off the list of the registered students. It is very important that they be tested, so please get all information in as soon as possible.

Thank you to everyone who supported the Student Council Air Head sale!
