

## St. Joseph School Weekly Note

The Christmas Spirit is alive and well at St. Joseph School. The response to our outreach was overwhelming from Toys for Tots, our Mitten Tree, and our adoptive family. You have shown with your generosity the true meaning of Christmas!

As we wait to celebrate the birth of Jesus, I want to wish each and everyone a Christmas that brings family and friends together. One that helps us appreciate the love in our lives, that we often take for granted.

May the meaning of the holiday season fill your hearts and home with many blessings. God Bless you all!

**With many thanks:**

Thank you to all the parents who generously volunteered to work lunch on Thursday so I could treat the teachers & staff to a holiday luncheon. Your kindness is greatly appreciated! The dining room looked lovely! You made us all feel very special! I can't stress enough how wonderful our parents are!!

**On a side note:**

I have noticed when the children come down to use the phone, some of our students, both younger and older do not know their phone number, nor do they know how to use a desk top phone. They start to dial without picking up the receiver, and when they are done talking, they don't know enough to hang it up. Please talk with your children and make sure they know their phone number. My concern is if they are ever in an emergency situation, they will not be able to get a hold of you.

**Upcoming Events:**

- Uniform Swap: January 6, 7, & 8
- Picture Retakes & 8th Grade Graduation Pictures: January 20th

Merry Christmas & God Bless,
