Please consider this option! Tickets are available in the office and the cost is \$40.00.

It has come to our attention that some students would like to start wearing digital pedometers, such as Fitbit or VivoFit wrist bands. After much discussion, we will allow students to wear digital pedometers on a trial basis starting February 1, 2016. However, if your child's teacher notices that it is becoming a distraction to him or her in the classroom, that student would be asked to remove the device and leave it at home for the rest of the school year.

Some of you will be getting letters regarding Registration Forms or FACTS agreement forms. Most of you have turned in both. Some have turned in Registration, but no FACTS agreement and vice versa. Some have not turned in anything at all. These forms are PAST DUE! I will need them ASAP!! If your child will not be returning, please fill out the bottom portion of the letter and return it to school.

Our music teacher Mrs. Beson would like to introduce the children to a new instrument. We are looking into purchasing Ukulele's. If anyone has one that they would like to donate, please let the office know.
