

**St. Joseph School**  
**End of year note**

We hope your summer vacation has started out on a good note. The teachers and staff are busy in their rooms finishing up all the year end tasks. I want to take this opportunity to say thank you for all the support and kindness that has been shown to me this year. Thank you for trusting me with your children and allowing me to guide St. Joseph through the 2016-2017 school year.

It is with a heavy heart that I once again step down. I know that you will be in good hands with Ms. McMillan. And always...."Once a Cardinal, always a Cardinal". God Bless you all!

I have attached the yearly calendar for next year as well as student supply list. These two items will also be available on our website. Also remember, the calendar is subject to change. We will inform you of any changes throughout the year.
