August 2016

Dear Families,

Thank you for choosing St. Joseph Catholic School as the educational home for your child(ren). St. Joe's provides children with a well-rounded, faith-based education centered on educating all students in mind, body and spirit. The faculty and staff work together with myself, Fr. Brad, and the parish staff to ensure that all students are welcomed into a school environment that feels like their second home. It is our goal to ensure that each and every student is challenged academically, spiritually and socially and we feel confident that students leaving St. Joseph Catholic School have been well prepared for success into the future!

St. Joe's is blessed to have a Preschool 3 program and Preschool 4 program as well as homerooms in Kindergarten through Grade 8. Our teachers are highly qualified and are excited to be with your kiddos each and every day. Communication and consistency are important to school-aged students so we will maintain contact with you and ask you do the same for us. A strong partnership between home and school is essential for optimal growth and success!

Please consult this Handbook, become familiar with its policies, and contact any of us with any questions throughout the year.

We thank you for selecting St. Joseph Catholic School for your child(ren)'s education and look forward to a wonderful year ahead! Please reach out to me, anytime, with any questions or concerns.

Blessings,

## **ST. JOSEPH PARISH SCHOOL'S PHILOSOPHY**

The primary purpose of the existence of St. Joseph Parish School is to help facilitate the parents in providing a Christian faith-community for their children. The school strives to maintain academic excellence in all areas while it upholds an atmosphere centered in the person of Christ and His teachings.

The administrator and faculty of St. Joseph Parish School believe that each child is a unique individual who learns most effectively through the integration of the intellectual, emotional, spiritual, social and physical aspects of development.

Through the combined efforts of the Church, the school and the home, each child will have the opportunity to be prepared for future challenges. This preparation will lead to personal success and fulfillment as a mature Christian, aware of basic principles and prepared to accept adult responsibility.

It is our conviction that true education focuses on the formation of the human person in pursuit of his ultimate purpose.

## **ST. JOSEPH PARISH SCHOOL'S MISSION STATEMENT**

**St. Joseph Parish School Community is dedicated to  
Faith, Academics, Service, and Catholic Traditions.  
(WE ARE F.A.S.T.)**

## **STUDENT CREED**

As a St. Joseph Student I will:

- Have a positive Christian attitude
- Always work to my full potential
- Participate in my church
- Have a positive self-image
- Be a peace maker and help others

## HISTORY OF THE SCHOOL

It was an age when good Catholics would sacrifice anything to have their children in a Catholic School. In 1944, Fr. John Eppenbrock was appointed pastor of St. Joseph Trenton. Fr. Eppenbrock worked hard to achieve the long hoped for goal of a parish school.

Every method was used to raise funds including spaghetti dinners and the selling of bricks. Fr. Eppenbrock encouraged everyone to “buy a brick” for only 10 cents! Eventually, \$100,000 was raised for the school. Fr. Eppenbrock acquired the property on Third St. (between Elm and St. Joseph St) to be the site of the school and playground. The houses that occupied the site were either moved or demolished. On March 19, 1947 (the Feast of St. Joseph!), ground was finally broken for the \$200,000 St. Joseph School.

In September 1948, the parish school opened its doors to 260 pupils in grades first through sixth. Seventh and Eighth grades were added later. The school was staffed by the Sisters of the Immaculate Heart of Mary of Monroe, Michigan. It was not possible to obtain a full staff of Sisters so two lay teachers completed the faculty.

In 1998, St. Joseph Parish School began construction of an addition to the school which included a gym, kindergarten room, computer lab, and dining room. In the fall of 1999, our parish school opened its doors to its first Kindergarten class.

In fall 2014, our school will be adding a Preschool for 3 and 4 year olds. Also added is Cardinal Care, our very own after-school program.

St. Joseph Parish School has continued to flourish throughout the years. The education given not only prepares students for the world, but gives them a faith to live and a love of God to experience!

## ADMISSION POLICY

St. Joseph Parish School does not discriminate against students in admission or participation in any school program or activity on the basis of race, sex, nationality or ethnic origin.

St. Joseph School is committed to quality education within a Catholic, Christ Centered environment, consistent with this commitment; the administration along with St. Joseph School Advisory Committee has established an admission policy which fosters family involvement in the parish.

The school administration reserves the right to deny admission to any returning student. This could happen when the school does not have the resources and ability to meet the needs of the student, and/or when parents are motivated by concerns not consistent with the goals of the school or policies of the Archdiocese of Detroit.

Be it known that all new students coming into St. Joseph Catholic School are automatically on probation the first year.

**Please note:** Parents and or students who do not support or show partnership with administration/school may not be granted admission and may be asked to withdraw from the school on a date determined by the administration.

The criterion for admission to St. Joseph Parish School is that parents accept the Catholic concept of education.

Priority for admission to St. Joseph Parish School:

1. A student who is pre-registered and a member of St. Joseph Parish and attending St. Joseph Parish School at the time of pre-registration.
2. A student who is pre-registered, not a member of St. Joseph Parish but is attending St. Joseph Parish School at the time of pre-registration.
3. A student who is pre-registered but not a member of St. Joseph Parish and not attending St. Joseph Parish School at the time of pre-registration.
4. A student who is not pre-registered. A student not pre-registered is accepted in the above order for other descriptions.

Students with disabilities will be evaluated for admission on an individual basis based upon their needs and the school's ability to accommodate those needs.

Pre-registration takes place after the Christmas holiday.

All students will comply with State of Michigan required Immunization and Health Laws prior to admission.

When a student applies for transfer from another school, the parent must sign a release form allowing St. Joseph Parish School to request the student's records from the previous school. A student's acceptance into St. Joseph will be contingent upon the receipt of the records from the previous school and the satisfactory reports contained therein. Eighth grade students are rarely admitted to St. Joseph Parish School. Transfers of an eighth grade student from another Catholic school may be admitted

providing there are no academic and/or discipline problems. Students who were not recommended for promotion in their previous school will not be accepted to the next grade at St. Joseph Parish School.

Age Qualification: To be eligible for enrollment into kindergarten, a child must have reached the age of five (5) years on or before September 1 of the year the child is entering kindergarten. Birth certificates must be shown at the time of registration.

**This handbook applies to Grades Kindergarten through Grade Eight. The Preschool has its own Handbook. Please refer to the Preschool Handbook for students in the 3 year and 4 year old program.**

## **TUITION \ FEES POLICY**

Tuition rates are set by the Pastor in consultation with the Principal and the School Advisory Committee. We are grateful for the sacrifice parents make to provide a Catholic education for their children. It is our commitment to you and this parish to continue quality education while remaining fiscally responsible.

To receive the Catholic Parish Family rate, a family must be participating, registered, and contributing members of a local Parish. A participating member is one who regularly attends Mass in accordance with the teachings of the Church and contributes to their parish throughout the year or who has made special arrangements with our Pastor.

Non-participating, unregistered, or non-contributing members will be charged the Non-Contributing/Non-Catholic Family rate. Once a family has been transferred to Non-Contributing family status, the matter will not be reviewed until the following school year.

Parents can select from three payment plans at the time of registration. They are: One payment in full due the fifth of August; Four equal payments; or nine equal payments due August through and including April. August 5th payment must be received by August 5<sup>th</sup> or 20<sup>th</sup> depending on the FACTS agreement chosen, or a late fee of \$50.00 is assessed. No tuition refunds on the first quarter or after the third quarter. If tuition is not paid in full, academic records will not be sent to any school requesting student records. A student will not receive a final report card or be allowed to participate in graduation if tuition, bus, or library fees are not up-to-date

Registration fee of \$150 per family occurs at pre-registration and is non-refundable.

Those who use the St. Joseph Parish bus will make their payments according to their tuition schedule. No refunds on bus fees.

A student will not be allowed to return to school in the fall if prior tuition is still owed, unless payment arrangements have been made through the business office in advance.

Assistance is available to help with the cost of tuition based on financial need. Please contact the principal for further details.

### MIDTERMS AND FINALS

All students in Grades 6-8 will receive a welcome packet from their Homeroom teacher. Grades 6-8 take Midterms and Final Exams in Math, Science, English, World Cultures/History.

### HONOR ROLL

Students are given recognition for achievement through:

#### CITIZENSHIP HONORS (GRADES 1 - 8)

The Citizenship honor roll recognizes those students who behave well in school for the full school day including lunchtime, recess, and specials. Students receive a citizenship card in their report card if they have earned Citizenship Honors.

A student is ineligible for this honor roll if the child receives a comment-"effort needs improvement," or comment-"conduct needs improvement," in any major subject area on his/her report card.

**Grade 1-4 Citizenship Award** at the end of the year – a student has to make Citizenship at least 3 out of 4 quarters. To make the Citizenship List a student had to have A's or B's in Conduct & Effort.

**Grade 5-8 Citizenship Award** at the end of the year – a student has to make Citizenship **4 out of 4 quarters**. To make the Citizenship List a student must have A's or B's in Conduct & Effort.

	<u>SCHOLASTIC HONOR ROLL (GRADES 5 - 8)</u>
Principal's List:	100% - 93% in the six major subjects
First Honors:	100% - 93% in four major subjects and 92% - 85% in two major subjects

To be on the Scholastic Honor Roll the student must not have a "comment-"conduct needs improvement" in any major subject area. **To receive Scholastic Honors, you must have qualified for Citizenship Honors.** Students receive a card in their report card if they have earned Principal's List or First Honors.

The major subjects are Religion, Reading\Literature, Math, Science, English and Social Studies / History.

## PROGRESS REPORTS

St. Joseph School utilizes an online grading system. In grades 1-8 parents have all grades in real time. Interim dates will be listed on the monthly calendar as a reminder to parents to review their child's grades online. All grades will receive a paper progress report in all four marking periods.

## FAILING GRADES \ RETENTION

Retention can be successful if a student was unable to master skills taught the first time at a grade level. All parties concerned need to see this in a positive manner, a second chance to succeed and not a punishment. All aspects will be carefully considered on an individual basis.

Teachers will notify parents through reports, conferences and report cards that an academic problem(s) exists. Parents and teachers need to work together in planning possible remedies to the problem.

Ordinarily, a student in grades one through four who does very poorly in reading and/or math will be recommended for retention. Failing three (3) or more major subjects for a student in grades three through eight means automatic retention.

## PARENT \ TEACHER CONFERENCES

Conferences are usually scheduled for all families in November and in January as necessary. After all other report card markings, a conference can be requested by the parents or the teacher(s). If parents would like an individual conference at any other time during the school year, they should send a note to the teacher. A convenient time for both parties will be set by the teacher(s).

## DAILY SCHEDULE

7:40 a.m.	Students go to their classrooms for morning assistance and to get ready

## LUNCH

Students must bring their own lunch or purchase lunch from the weekly selection. Milk is available for the students to buy daily or on a quarterly or daily basis. Students will eat their lunch in the dining room. No food or drink is allowed at recess or other areas of the school.

## **SCHOOL COMMISSION**

We welcome all to the School Commission meetings during the new business portion. After New Business, the commission meeting is open to current members only. All new ideas and suggestions must be submitted to the principal 10 days prior to the Commission meeting. The principal reviews all ideas or suggestions brought forth to determine if it is an administration policy issue, or a commission item to be placed on the agenda.

The School Commission is a consultative body involved in promoting St. Joseph Parish School as an integral part of the educational mission of the parish. Its functions are to foster the school's philosophy and to assist in developing action steps to implement the school's objectives for education. Member's input is valued for issues important to parents. These issues may include topics such as the school's long and short range planning, handbook policies, tuition and budget, public relations / marketing, and Parish / community involvement.

The Commission meetings are held on the second Wednesday at 7:00 p.m. in the Parish Center. Parents are invited to attend these meetings. Any person requesting to be included on the agenda for any School Commission meeting is asked to submit their discussion topic to the principal in writing at least ten days prior to the next meeting to get scheduled on the agenda. Parents are advised that all topics **MUST** be related to the Commission's functions. Parents should discuss all other non-related issues with the principal.

## **SPIRIT OF ST. JOE'S CLUB**

**Spirit of St Joe's** – A club within the school commission dedicated to enhance school enrichment programs, and build fellowship among school families. To acquire a strong school bond, we need to know each other and social events are fun ways to attain this goal. Events will be planned during the school year to promote interaction and unity within our families, and raise funds to support school programs.

Subcommittees of this club include:

- A Carnival Committee
- B Fish Fry Committee
- C Social Parent Events Committee

## **CARNIVAL SUB-COMMITTEE**

The school carnival promotes fun, while helping new students and parents get to know each other. It is a morale booster for everyone involved. It is not a fundraiser; however, any monies made will be used for school enhancements. The carnival is normally held in the spring. Set up meetings are usually held once per month, throughout the school year.

Committee duties include: coordinate game rental, obtain game prizes, set up and take down. Ensure that volunteers are scheduled to work the carnival (game operators, ticket sales, and food concessions). Organize booth signs, ticket cans, and donations for raffles (including grade level baskets), silent auction, decorations, concessions, and thank you notes to those who have donated. Parental involvement is a great way to give your time and talent to make your school as good as it can be!

## **FISH FRY SUB-COMMITTEE**

The fish fry is sponsored by the Spirit of St. Joe's to build community. It is held every Friday during Lent. This is a great chance for your family to meet other school families, and older parishioners. You can have fun and help the school by volunteering. Students in 7-8<sup>th</sup> grade are encouraged to practice their giving to our parish by helping each Friday during Lent.

The fish fry depends upon your participation as a supportive volunteer and customer. The profit reduces the operational budget which helps to keep our tuition low.

Committee duties entail scheduling volunteers for Thursday preparation, Friday work shifts, and clean-up groups, menu decisions, advertising, and purchasing food and supplies.

## **SOCIAL PARENT EVENTS SUB-COMMITTEE**

This sub-committee sponsored by the Spirit of St. Joe's Club organizes this event for school families to share in fellowship in a relaxed atmosphere. This is an adult's only event for parents.

## **ATHLETICS**

St. Joseph Parish School and Parish are members of the Catholic Youth Organization (CYO) and abides by its rules and regulations (involves grades five through eight, both boys and girls). All financial means necessary for the support of this program are provided by the St. Joseph Athletic Club.

## **ATTENDANCE POLICY**

Regular class attendance and punctuality develop positive attitudes toward school. Regular attendance enables a child to gain more from their educational experiences than one who is absent frequently. Attendance records are kept electronically online.

From time to time, a student may need to arrive late or leave early due to an appointment or another reason. **Absences for arrival past 9:30 am or leaving before 2:30 pm will be marked a half-day absent. NOTE:** Please refrain from early dismissals between 2:30- 3:00 PM unless arriving back from a field trip. It is too disruptive for the end of the day learning.

When we have a half-day of school, and a student is absent the "whole" half-day, it is considered a whole day absent.

If a child is absent from school for any reason, a parent must notify the school by telephone prior to 9:00 a.m. When the student returns to school, a dated and signed note must be sent to the teacher.

If a student is absent for more than eleven (11) days in a quarter, the school is justified in not assigning a grade for that period. If a student is absent for more than thirty-three (33) days in a school year, the school may determine that promotion to the next grade may need review.

Upon returning to school, the student is responsible for acquiring and completing all make-up work. The student will have the number of days to complete all daily class assignments as to the number of days absent. If a student is ill, homework will be available at 3:00 for pickup.

Students may not be dismissed early from school without a written and signed request from parents. A parent or designated adult must come to the school office to pick up the student and sign them out.

## **ABSENCE DUE TO VACATION**

### **No homework will be given prior to vacation**

Family vacations during the school year are discouraged; the school does understand that special circumstances may arise. Any child missing school due to conditions not relating to illness will be given their school work, homework, assignments and tests after their return to school. (Please keep in mind that classroom presentations\lectures cannot be made up). If homework is not completed in the time allowed, including projects, no credit will be given.

## **TARDINESS**

Students who are not in class by 8:00 a.m. are tardy. If students enter the building after 8:00 am, they must report to the office. Parents of children who are chronically late (five or more times in a quarter) will be asked to come to school for a conference with the principal. Parents are expected to cooperate regarding the arrival of their children at school on time. Tardy is from 8:00 am to 9:30 am. After 9:30 am, a student will be marked a half-day absent.

## **SCHOOL ACTIVITIES GYM POLICY**

St. Joseph's Parish is committed to its Parish Elementary School by providing its resources and facilities to the school's mission. In consideration for the use of the facilities we ask that the school adopt this policy which will help maintain our gym floor and realize the longevity the manufacturer describes. In light of our wanting to maintain a clean and long lasting gym floor, parents will need to make a choice for their child. The choices are as follows;

1. Parents allow their child to bring gym shoes to change into on the days they don't have gym. After lunch, the child will need to change back to dress shoes. Gym shoes will be stored in their school bags and must be taken home each day. On days the child is scheduled for gym, the wearing of gym shoes all day is allowed.

**OR**

2. On the days the child is not scheduled for gym, during inside recess the parent will allow their child to take their dress shoes off and play in their socks. If the parent determines their child should wear gym shoes and forgets to bring them, they will be unable to participate in gym activities.
3. There will be an alternative area for the child to read a book or play a board game taken from their classroom games if the child forgets their gym shoes.

If an emergency arises where it is impossible for a student to wear the proper uniform, a parent should write a note to the teacher explaining the problem. The teacher will then notify the office of the situation.

Parents must cooperate with the school in enforcing the dress code. Parents will receive a call from the teacher when they are in violation of the dress code. If dress code violations become chronic (3 or more in a quarter) for a particular student, the student will no longer be eligible to receive citizenship honors.

### **EMERGENCY FORMS**

An emergency form is kept for each student in the school office. This card will include the name, address and telephone number of the parents, another specified person to call in an emergency and the family doctor. Emergency forms need to be updated as changes occur. All names of adults who may pick your child up from school must be on the emergency card. Please be mindful of this when filling them out.

### **ACCIDENT POLICY**

Parents are called immediately when an accident occurs. If the parents cannot be reached, the Trenton Fire Rescue is called. It is extremely important that any changes in telephone numbers, home or work be reported to the school office as soon as possible. It is also important that the person named on the emergency card as the parental alternative has a current telephone number and be available to transport a sick child.

### **EMERGENCY SCHOOL CLOSING**

In the event that school must be canceled due to inclement weather, parents will receive a text from the automated system. Please be sure the office has the correct number for an early snow day call.

### **PARTY INVITATION POLICY**

In the event that your student is hosting a party (birthday or other), please know that the policy on invitations is that invitations cannot be passed out at school unless each student in the class receives an invitation. A boy student can invite just all the boys; a girl student can invite just all the girls, or the entire class can be invited. If only a few students from class are invited, invitations cannot be passed out on school grounds or at school events. If invitations are passed out at school that do not include everyone, the invitations passed out at school will be returned to that student and must be taken home. Thank you for supporting the feelings of all of our students!

## MEDICATION POLICY

It is the responsibility of parent and/or guardian to inform the principal and appropriate teachers if a student is subject to any medical need that requires regular or periodic attention while at school.

School personnel will not dispense or administer any medicine to students. If prescription or non-prescription medicine must be taken during school hours, the principal or her designee will supervise the taking of the medicine by the student.

All medicine must be clearly labeled and in its original bottle with expiration date, and the student's name and proper dosage on the container. Medicine will be kept in a locked container in the office.

Parents must have a St. Joseph written consent form completed and on file in the office before any medication is dispensed. The forms must be signed by both **parent** and **doctor** even for over the counter medication which includes cough drops. If the form is not properly filled out, a parent must dispense the medication. Forms are available in the school office.

A student may carry and use an inhaler or Epi-pen, as deemed necessary by their physician. The school must be provided with a written emergency plan for its use prepared by a licensed physician in collaboration with the parent, updated as necessary for changing circumstances.

## ALLERGY POLICY

If your child has an allergy, please go to our web site for the FAAP (food allergy action plan) to take to your physician and return to us. The current Food Allergy forms are available to print from our school website.

Dear Parent,

We recognize that there are a growing number of students coming to our school that have food allergies, and we acknowledge our responsibility to work directly with the parents of these students. In partnership between school and family we strive to thoughtfully increase independence in your child.

As an educational environment, we strive to educate our staff, students, and families to better understand life-threatening food allergies. Collaboration with the school staff, your family, and your family medical provider will create a safe and healthy learning environment which will help parents and their children with food allergies make the transition between the safety of their home environment into the expanding world of a school. When done well, this is one of the greatest lessons a child with food allergies can learn; they can be safe in a world outside their own home.

A thoughtful, well implemented Food Allergy Action plan will help students learn to:

- Ask for help
- Develop healthy and strong friendships
- Be more confident
- Become more independent
- Self-monitor that his/her medication is readily available
- Challenge situations that may feel unsafe or unnecessarily risky
- Acquire developmentally appropriate social skills

Similarly, classmates who do not have life-threatening allergies develop a greater capacity for generosity, flexibility, and compassion. Teachers and other parents come to address modifications necessary to keep students with food allergies safe and socially included.

## FIELD TRIPS and VOLUNTEERING

All parents/grandparents must attend a "Protecting God's Children" class and pass a criminal background check in order to chaperone any field trip. Both parents please attend the class as soon as possible if you are a new family to the school. Register online at: <http://www.virtus.org/virtus/> and click on registration on the right green side bar. Then look for Archdiocese of Detroit and select a local parish/date convenient to you, attend the class, bring in the certificate when you receive it.

Parents may not just "show up" at a field trip site. Field trips begin and end at school. Most field trips have a limited amount of chaperones allowed. Teachers will try to give each parent an opportunity to go. No siblings allowed on field trips. Students are not permitted to have cell phones, iPods or any other electronic devices. Parents are not allowed to consume alcohol beverages while chaperoning a field trip.

When the bus is not being used, a parent driver must fill out a "Volunteer Driver Information Sheet". The form must be accompanied by a copy of your driver's license and a copy of your insurance policy which states minimal liability coverage of \$250,000/\$500,000. Without proper coverage, you will not be able to drive. All drivers must be at least 21 years of age and meet all volunteer requirements. These forms need to be filled out yearly.

Prior to departure, all students shall have permission slips signed by the parent/guardian; otherwise the student may not attend the field trip.

## **DISCIPLINE**

One of the intentions of St. Joseph Catholic School is to develop responsible students. We stress good behavior and good attitudes toward everyone. Be it known that all new students coming into St. Joseph Catholic School are automatically on probation the first year.

When student behavior is considered inappropriate, the matter must be addressed. It could involve a conference with the student by the teacher and/or principal or a telephone call to the parents by the teacher or principal. If a matter is serious in nature, the parents will be asked to come in for a conference with the principal and other staff employee.

### **Code of Courtesy for all Students:**

St. Joseph Catholic School students are expected to be polite, and respectful towards others both in and out of school. Courtesy should be the hallmark of a student's relationship with adult staff and fellow students. The following are guidelines students should follow in dealing with members of the St. Joseph community.

- Always address faculty and staff members with appropriate respect, using titles proper to their positions (Father, Coach, Ms. Mr. or Mrs.)
- "Thank you" is the expected expression of gratitude when assistance is given by adults or fellow students.
- Say "yes, (Title)" and "No, (Title)" or "Yes Ma'am" or "No Sir" to answer a question. Do not say "What?" or "Huh?"
- Common respect for adults requires you to allow adults to pass before you when entering a building or room, and that you hold the door open for persons coming behind you into a building or room.
- When an adult corrects you for some fault, be quiet and listen until the adult is finished talking.
- Courtesy demands respect for school property. Students are asked to help maintain the appearance of the school by keeping the school free of litter, and by treating the trees, plants, and grassy areas with respect.

Students may be subject to:

#### DISCIPLINARY PROBATION

A specified period of time in which a student is given the opportunity to prove that he/she will comply with school rules and regulations. During this period, the student is in attendance at regular classes and school activities.

#### EXCLUSION

A temporary removal of a student from a class or classes. In-school suspension is included in this category.

#### SUSPENSION

The temporary dismissal of a student from the school. Duration of suspension depends on the severity of the infraction.

#### EXPULSION

The permanent dismissal of a student from the school.

Students receiving an in-school or home suspension will not receive any credit (grade is zero) for all work done in the classroom on that day or days.

## **Behavior and Discipline**

Saint Joseph Catholic School is focused on a school environment that is safe, nurturing, and builds good Christian Character. Students learn appropriate behaviors through weekly classroom meetings, and teacher/parent communication with families.

**DISCIPLINE CODE WITH CONSEQUENCES:** Students sent to office must call home and communicate their behavior to the parent. Based upon the severity of the behavior some of the possible consequences are:

1. Student will go to another classroom during recess time.
2. 6-8<sup>th</sup> will lose their locker privilege
3. Before or after school detention

The school focuses on a positive reward system- Ticket incentive program for caught being good to others.

More severe behavior including fighting, sexual harassment, cheating, stealing, or vandalism etc....will result in a conduct report, and/or suspension.

*Note: Kindergarten-2nd teachers and supervisors will use more immediate, age appropriate consequences with students.*

## CONFLICT RESOLUTION

Conflicts can often occur from misunderstandings. If a parent or student has difficulty with a major disciplinary decision made by a teacher or with the suspension\expulsion of a student by the principal, the procedure for discussion\resolution is as follows:

- Level 1: Conference with teacher(s)
- Level 2: Conference with principal and teacher(s)
- Level 3: Conference with principal

## GENERAL RULES

## DROP OFF AND PICK UP SAFETY POLICY

Children's safety is of the utmost importance.

1. At no time should anyone cross in the middle of the street. You must go to the corner to cross. Do not stop in the cross walk!
2. There are three types of drop off situations: simple, assisted, and parked.
  - a. **Simple:** The driver comes to a rolling stop and lets the student(s) out at the front door. If the driver must get out of his/her seat, then it is not simple, and should not happen at the front door of the school.

b. **Assisted:** The driver gets out of his/her seat to assist a student, but does not walk away from the car. An assisted drop off should happen in front of the gym or church, not at the front door of the school.

c. **Parked:** The driver must leave the car to assist a student or take care of some other business. Cars should not park in front of the school or gym for any reason during morning drop off. It is posted on the street signs in front of the school "No Parking"! If you must park, please use municipal lots or surrounding streets, and cross only at the corner.

**THERE IS NO PARKING IN THE FENCED IN AREA NEXT TO THE SCHOOL.**

To foster student responsibility and independence, we ask parents to say goodbyes at the school front door in 1<sup>st</sup>-8<sup>th</sup> grade. Kindergarten parents may walk their child to the classroom door.

### **EMERGENCY DRILLS-EXPLANATION**

The following drills take place throughout the school year. Please review this information carefully so you are able to discuss these precautionary measures with your student(s) to help reinforce at home how and why we practice these drills at school.

#### **Fire Drills:**

Fire drill practice takes place to show students how to evacuate the building in the event of a fire emergency. Signs are posted in the rooms to show where the evacuation route is from each room in the building. Students and staff will follow that route to the designated safe location outside of the school, away from potential fire danger. Students and staff will be alerted to the drill by a fire alarm siren or by a verbal message over the school PA system by a member of the school administration or staff. At the conclusion of the drill the students and staff will be signaled by the principal to go back into the building and resume their classes. Parents will be unable to pick up their children during drills and must wait to the conclusion of the drill to take their children to appointments, home for the day, etc.

In the event of a real fire emergency, parents that come to school to pick up their children must sign their child(ren) out with the classroom teacher from the safety zone outside, after showing photo ID, before taking their children off the St. Joseph Catholic School grounds.

#### **Tornado Drills:**

Tornado Drill practice is done to prepare students and staff for what to do during a severe weather emergency. Signs are posted in the rooms to show where the evacuation route is from

each room in each building. Students and staff will be alerted to the drill via a message on the PA system or a drill bell. Students will be expected to sit on the floor of their designated safety zone with their heads covered for the duration of the drill or until the severe weather has passed. Parents will be unable to pick up their children during drills and must wait to the conclusion of the drill to take their children to appointments, home for the day, etc. In the event of a real severe weather emergency, parents that come to school to pick up their children must sign their child(ren) out with the classroom teacher from the safety zone inside the school, after showing photo ID, before taking their children home. \*\*Note: In the event of severe weather, it is at the parents own risk to be moving and evacuating their child(ren) from their designated secure location inside school.

### **Lockdown Drills:**

Lockdown Drill practice is done to prepare students and staff for what to do during a safety emergency or threat of danger at the school. An announcement is made over the PA system allowing students and staff to know that a lockdown is taking place. Teachers will close their interior window shades, lock their doors and move the students to a corner of the room away from the windows and the doors. Teachers will keep the students calm and silent while waiting for the drill/emergency to end. There will not be exchange of classes, movement in the hallways or classrooms or around the school grounds. \*\*Under no circumstance may a person enter or exit the school campus during a drill or an actual lockdown. Students, staff and parents must remain in their locations until an all-clear message is given over the PA system by the school principal, or a member of the police force (in the event of a real lockdown).

### **Shelter in Place Drills:**

Shelter in Place Drills are conducted to prepare students and staff for what to do in the event of a potential threat to the campus. An announcement is made over the PA system alerting students and staff that a Shelter in Place is occurring. Teachers would lock their classroom doors but continue on teaching within their classrooms as normal. Limited hallway activity may occur. There will not be any usage of external doors and students and staff must stay in the building until an all-clear is given. \*\*Under no circumstance may a person enter or exit the school campus during a drill or an actual Shelter in Place. Students and staff must remain on campus until an all-clear message is given over the PA system by the principal. Parents must wait for dismissal until an all-clear message is given.
